shopping apps to check out

Finding a good shopping app can be as elusive as finding a comfortable pair of stilettos. So, we talked with app expert Rick Singer, CEO of GreatApps.com, to find ones that could actually save us some time and money this holiday season. Here's his picks for the top apps.

Shopping by The Find

Why it works: The app allows you to set price alerts. If a product you scan drops below a price that you have set, you will get an alert on the application with details.
