## PATRIOTS

The Super Bowl is almost upon us, and GreatApps.com put together a list of the best Super Bowl apps to make sure you enjoy the game.

Below, please find a list of the apps with their descriptions put together by GreatApps.com CEO Rick Singer.

### **[Super Bowl XLV \(Free for Android\)](#)**

Download the FREE official Super If you are going to the game and need an app, the official app is fantastic. The app provides you with a full map of the stadium and information about nearby restaurants. The app also provides info about the players and will help you make your trip to the Super Bowl a successful one. The app is free and a must have for those going to the game. Super Bowl XLV Guide today! It's your mobile companion for Super Bowl Week!

### **[ESPN Radio \(\\$2.99 for Android\)](#)**

It's Super Bowl Sunday, and, as fate would have it, you've got plans — plans that involve being somewhere far away from the comfort of your couch or even the warmth of a sports bar. Fortunately, you remembered to download the ESPN Radio iPhone app. All you have to do is open the app, tune into an ESPN station, and listen to the game unfold in real-time.

### **[SuperBowl XLV SquareTrackIT \(Free for Android\)](#)**

Track your own squares or Manage 100 square football pools for the 2011 SuperBowl. All on your phone! If you're into football squares pools, this app is for you. Set up multiple pools- Name each pool- Manage a full pool or just track some squares- Enter how much each square is worth to get in- Enter payout by quarter (3 qtrs plus final score).

#### **[Air Horn App \(Free for Android\)](#)**

That one-handed grab got your juices flowing, and you want everyone within a four-block radius to know it. Inject some mayhem into your living room this weekend with this exceedingly annoying air horn app. This is the must-have for 'that guy' at every Super Bowl party.

#### **[The Chili Chef \(\\$1.99 for iPhone\)](#)**

Are you looking to impress your tailgate buddies, friends and game day guests with the best chili out there? This is the perfect app to help you cook on Sunday afternoons. At only four cents a recipe it's crazy not to try it out!

#### **[Giants Mobile](#)**

Are you for Big Blue? This free app offers quite a lot for Giants fans: real-time news, video on demand, photo galleries, podcasts, statistics "from the official [NFL stats engine](#)," game schedules and results, scores, standings, a [fantasy](#) tracker, a Twitter aggregator, the ability to share news/photos easily to Facebook or Twitter, and even a searchable map of concession stands in MetLife stadium—for next season, of course.

#### **[New England Patriots 2011](#)**

Then again, maybe you'll be rooting for the [Pats](#). This is the team's official app; it offers news, game details, real-time stats, on-demand and live video and audio broadcasts, and a photo gallery of players—and [cheerleaders](#).

*Paul M. Banks is CEO of [The Sports Bank.net](#), an official Google News site generating millions of unique visitors. He's also a regular contributor to [Chicago Now](#), [Walter Football.com](#), [Yardbarker](#), and [Fox Sports](#)*
